

MEETING NOTES

1. Test environment (early access) availability date.

We are happy to confirm that early access to the test environment will start on Monday 1 November.

Please refer to slide 4.

2. Features included at this stage and documentation

Please refer to slide 5.

3. Environment settings and availability levels

Please refer to slide 6.

4. Onboarding requirements

Please send your request for access to registry.replacement@internetcz.net.nz and we will send you a connection form to complete which contains the required setup information we need (much like we did when you first connected to the .nz registry)

Please refer to slide 7.

5. New Slack channel

We are introducing a new slack channel to allow you to get in touch with the project team and with other .nz registrars.

Please refer to slide 8.

6. Newsletter targeting your nominated primacy contact(s)

We are sending a newsletter twice a month to the primary contact(s). These are the contacts that you have nominated to work with us on the registry replacement project.

We will send detailed communications in relation to the data cleanup, data migration, etc.

Please refer to slide 9.

7. Discussion topics for future meetings

We have a number of subjects to cover in future sessions, in no particular order, these include:

- EPP interface.
- Billing,
- Registrar process change impacts.

Are there any other subjects that you would like us to cover or do you have any feedback on the format of these sessions? Please let us know.

Covering different time zones including Europe

As requested by European registrars, the team has decided to run each upcoming forum over two sessions.

- One session will be Wednesdays 8 PM NZDT (10 AM European time).
- Second session will be as usual Thursdays 8.30 AM NZDT.

Both sessions will cover the same technical forum topics.

If you think you need a previous technical forum repeated in your time zone, please let the team know.

Next meetings

The next meetings are within two to three weeks and we will send the invite details shortly. You can select based on your most convenient time zone.
